

NOVASTON  
CONFIRMATION

We express our pleasure in cooperating with the company Konstruktor from Belgrade, the General Contractor of five "Stop Shop" retail parks in Serbia for the Austrian investor "Immofinanz", the premises of which were rented out by the company Novaston to prestigious national and international lessees.

With its great knowledge of the lessees' construction needs, the Konstruktor Company has exhibited exceptional professionalism in the implementation of interior arrangement for all clients and in suggesting how to improve a process.

By means of continuous cooperation between the Konstruktor, Immofinanz, and Novaston, the premises were realized in a short period of time and with the highest quality, and so was the handover of buildings for the entry of clients such as Mc Donald's, DM, Lilly, Takko, Deichmann, CCC, New Yorker, Mercator, Reserved, Sinsay, Top Shop, etc.
